

*Navigating the Spiritual
Journey of Life
August 1-3, 2010*

Springmaid Beach Retreat and Resort

Myrtle Beach, S.C.

Focus on navigating the spiritual journey of life with ASERVIC. The goals of this conference are to provide practical information for mental health professionals as well as meaningful experiential activities.

In thinking globally, ASERVIC is committed to providing a conference that is earth-friendly. Because conference rates will be extended prior and following the conference, consider including the conference in your family vacation. For details, see www.springmaidbeach.com.

Session presentation proposals can be submitted to Mark Young at meyoung@mail.ucf.edu on or before February, 1st, 2010. For more information about conference registration, accommodations, and proposal formatting, visit our website at aservic.org.
